To summarise our day to day work currently

- Short to medium run A3, A4, A5 4 or 5 Colour and spot colour.
- All general print work

Spot colour Stationery & business cards
4 colour business cards
Invoice books
Spot colour & 4 colour brochures
Bookwork up to 2000 depending on how many pages
Presentation Folders suitable for A4 sheets finished size
Newsletters, Posters, Calendars, DL Drop cards

Generally the A1 Printers will become more cost effective as the quantities increase but for most short run work we are well placed with pricing to suit.

Having said that we are constantly winning work in the 20,000 and 30,000 quantities on DL, A4 and A3 brochures.

- We run our own courier van and driver who does a run every day into the city and beyond and will deliver direct to customers with confidentiality.

Strengths

- Both David and Greg have over 34 years each experience in the industry in all facets. This is now a rare commodity in current industry printing establishments, where you get to talk direct and know they have the experience and will personally manage your job.
- Quick turnaround of jobs to meet deadlines.
- Colour matching and quality control. One of a few small to medium printers using densitometry to maintain standards.
- Price competitive in our sheet size and run lengths.
- Green friendly, we put nothing down the drain, we recycle and continually look at new innovations to commit to the save the earth philosophy.

It costs nothing to give us a chance to quote and see if we can improve your profitability!
